Thanksgiving Day Eucharist

We will celebrate Thanksgiving in the spirit of gratitude for creation and how the earth God has given us supports our lives. Join us Thanksgiving Day in the main church at 10:00 a.m. for a Eucharist that will reconnect us to a sense of the goodness of creation, and creation as the body of God.

Blessing of the Cars

As we celebrate the beginning of the Christian year we pray that God be with us wherever we go. For that reason we will have the blessing of the cars on December 2 after the 12:00 pm services in the parking lot. If you want you can decorate your car with flowers.

Lady of Guadalupe Day

Join us on December 8 to celebrate the Lady of Guadalupe Day at 6:00 pm in the Main Church. After the service we will have a Mariachi Band to sing "Las Mañanitas" to the Virgin. If you want to experience more about the Latino Traditions, this would be a great opportunity to do it. After the service we would continue the celebration in the Undercroft with more Mariachi songs and Latin-American food.

Love Your Neighbor

As I write you, I am far away in Stafa, Switzerland. While there are 4000 miles between us, the horror of the week's outrageous violence feels desperately close. Many of us who grew up in the sixties came through those years praying that we would never have to witness the carnage of those times again. It seemed impossible for us who endured a president shot down and killed in his prime, our heroic Rev. Dr. King being murdered for his soulful liberating work for the nation and then Robert Kennedy being assassinated while giving a campaign speech in Los Angeles. These killings were the signs of violent times, which included much more civic violence, a devastating war and much liberating work left to do for the realization of a truly democratic and just society. There were many wounds to be healed, but we also knew there was so much work left to be done. We thought we would never see the turmoil of those days again. We were convinced that our nation had evolved and moved away from this type of social and civic violence and that the nation was on a continual upward swing towards true equality among all races and classes and that the economic prosperity so clearly possible would be available to all.

Recently, even before these horrific events, I have been lamenting many of the embarrassing, deeply upsetting rhetoric and actions of our President and the Congress. I have lately been struggling with my former optimism. I cringed at the actions of our nation, formerly considered the leader of human rights of the world, incarcerating families at our southern border, separating children from their parents, meddling with elections, making relentless attempts to kill the first health care law covering all, even with pre-existing conditions, and insulting and ignoring long term international partners and, finally, finding ways to excuse the actions of the leader or leaders of Saudi Arabia in the brutal murder of a Saudi journalist. Then, the pipe bombs started arriving, two African Americans were gunned down in a super market after the shooter failed in his attempt of mass murder inside an African American Baptist Church, and then we witnessed a mass murder inside The Tree of Life Synagogue. Our President made a cursory attempt to offer condolences, but flubbed it and tried to blame the media and the Democrats.

All of this has reminded me of the title of Alan Paton's remarkable book about South Africa in apartheid times, "Cry the Beloved Country" and the words of God to Moses, "I have heard my people cry". It is so easy to give in to being overwhelmed, to even be ashamed of all that is going on, to feel helpless and then to retreat in hopes that there will be others who will emerge and take on these urgent and dangerous problems for us. Let us not give into helplessness, to shame and fatigue, but give freely into our need to cry out in pain, frustration, fear and confusion. Let us remember that as South Africa was in turmoil and cried out, the country was always beloved and the country, which still has so much more progress to make for its people. They fought the cause of freedom and justice with as little violence as possible against a terrible regime and, then, in a miraculous embrace of former enemies, formed a truth and reconciliation process that allowed the nation to proceed as a united people. The churches of South Africa supported the cause of freedom; we have the example of a hero, Bishop Desmond Tutu, a man of our own fold who so lovingly and courageously fought for the cause of equality, mercy and justice. Clearly, South Africans knew that God heard their cry and simultaneously understood the biblical warrant of God's demand for equality and justice. God did not make demands only on Pharaoh, but on Moses, Aaron, Miriam, the seventy elders to assist Moses and Aaron but the whole people of Israel. We have the faith that our cry is heard by our Creator and Redeemer and that God offers us sanctification by calling us, all of us out to save our country and to once again be a beacon of freedom and justice throughout the world.

God Bless You and Keep You!

The Listening Heart Community

The Listening Heart Community is Ascension's "monastery of the heart", an intentional group for seekers in all stages of their spiritual journey to explore Benedictine and other contemplative spirituality in community. This fall and winter, we will be praying with the writings and teachings of Thomas Merton, the American mystic and Trappist monk, in observance of the centennial of his birth.

Continuing the Collection of Items for ComfortCases

The inspiring sermon in September by Robert Scheer, founder of ComfortCases, has prompted many congregants to ask what more we can do to help this local non-profit organization bring dignity and hope to youth entering foster care. We will continue to have a bin in the narthex for collecting additional travel-sized toiletry items. Further information on ways to help the organization—from donating pajamas to helping pack comfort cases—can be found at www.comfortcases.org. The organization is housed at 15825 Shady Grove Road, Suite 60, Rockville, MD 20850; phone: 202-253-0402.

Montgomery Hospice

Montgomery Hospice is a nonprofit hospice that has been serving the residents of Montgomery County for 36 years. Our team (of doctors, nurse practitioners, nurses, spiritual counselors, social workers, hospice aides, bereavement counselors and volunteers) works with patients and their families to provide quality end-of-life care in homes, extended care facilities and at Casey House, our acute care facility. We are looking for new volunteers. Our greatest need is for volunteers to visit patients. These volunteers provide companionship for patients, respite for family members, lavender oil hand massages, music by the bedside or help with practical matters. Many provide the gift of "presence" by simply being with a patient. All volunteers go through an application process and a three-day training. VESTRY MINUTES

October 2018

PRESENT: Rev. Javier Garcia Ocampo, Senior Warden Betsy Hasegawa, Junior Warden Janet King, Rose Buck, Gordon Donnelly, Meredith Horan, Luis Pedron, John Pruessner, Berenice Rodriguez and Bob Waters. **Absent:** Zadinga Ogada and Susan McLaughlin. **Guests:** Sue Snay for the Giving Tree and Avin Lalmansingh, Treasurer. The meeting opened at 2:05 p.m. with a short prayer and check in around the table.

CONSENT AGENDA: Gordon moved that the consent agenda be adopted, Meredith seconded the motion, and it passed.

GUEST PRESENTATION.

The Giving Tree recipient. Every year Ascension chooses a charitable organization to support through donations to our Christmas Giving Tree. Sue Snay and her husband Richard have run this event for many years. At the last vestry meeting, Comfort Cases was suggested as a recipient. Sue went to their business site and brought information to the meeting; she was impressed and highly recommended them. Janet made a motion that Comfort Cases be the designated charity for 2018; Gordon seconded the motion and it passed.

OLD BUSINESS

Roof and Chapel repairs. John and Luis reported in on this. Although the vestry had made a commitment to selecting a roof-repair company at this vestry meeting in order to get the repairs done before bad weather makes it difficult, one of the companies in the mix, Dream Homes, Inc., has offered a 25% discount on materials if we go with them for the entire roof. The facilities committee is waiting for a more information and a final price from them. The vestry authorized a 17-day delay, until October 24, on the decision but agreed that choice *must* be made then.

Parker Pearce has bid \$10,800 to repair the chapel HVAC. Javier told the meeting that the AC in Ascension House also needs repair/replacement. John will have Lin get an estimate from Parker Pearce for that work; we may get a reduced total cost if both the chapel and AH are done at the same time. The vestry will vote on this at the October 24 special meeting after getting final info on the roof costs.

The congregation needs to be reminded that the FRF is still being collected (those who pledged periodic donations). It was suggested that we create a line item for future facility needs.

Contracts review.

St Barnabas contract. The diocese had sent a contract to be used between Ascension and St Barnabas Deaf Church; Berenice went over it and answered questions from the vestry. After receiving some final information, the contract will be ready to

present to St Barnabas' Rev. Betsy for signature. It was noted that she practices ASL for an hour prior to the 10:00 service, and that anyone interested in learning it is welcome.

Sandy Ridge Academy (SRA). Berenice reported on progress with the contract that she and Zadinga has been tasked to create. Among other things, it will include a color-coded floor plan identifying areas exclusive to SRA, shared areas and Ascension-only areas. The vestry addressed the question of the restrooms; there has been some confusion as to who has use of them. After discussion, Berenice moved that we change wording in the contract regarding the boys' and girls' restrooms to reflect that SRA will have exclusive use of them during the school's business hours, and that at all other times, use will be shared with Ascension. Rose seconded and the motion passed. SRA's payment will also cover the cost of pest control, snow removal, insurance, bathroom supplies, and use of the playground.

Disposition of income from the Car Wash, Yard Sale and Bake Sale. The money, which amounted to around \$1,250, has been placed in the general fund. Using it for a specific expense discussed by the vestry will be addressed if and when the occasion arises.

NEW BUSINESS

Our new deacon Eugene Nat Wright. Eugene will be shared between Ascension and St. Anne's Damascus. Javier said Eugene's first month (October) will be at St Anne's, and he will be at Ascension for November. The two churches will meet after that and decide how best to share his time.

Janet King, Junior Warden. Janet life has been a whirlwind and doesn't look like there will be any let-up. She spoke to the Executive committee and Zadinga, who agreed to switch places with her - Zadinga to become the Junior Warden and Janet to revert to being a vestry member (until the end of that term, this coming March.) Janet further said she would not be running for re-election.

Office computer upgrade. Avin asked the vestry to consider upgrading the two office workstations, since they're quite old and new software will be less and less able to be run on them. The vestry asked him to do some research on what's needed, and the cost. He will do so and get an estimate of the cost. The funds would come from the general office line item.

Shortened bulletin. The Worship committee had been tasked with shortening the bulletin from its current 16 pages. A 12-page bulletin was developed, approved by the committee, reviewed and modified by Father Javier, and presented to the vestry for approval. John moved that the 12-page bulletin be accepted, Bob seconded the motion and it passed unanimously.

OPEN MIC

Rose re Epiphany pageant. Rose suggested adding the Epiphany pageant to the Events Calendar. Sari said she would do so. Javier mentioned that the event and date are in the new *Together We Shine* booklet. Rose was concerned at the lack of children at the 10:00 service to participate in the pageant. Gordon said there were a number of children at the 12:00 service who would participate, and that he's already chosen the script and started thinking about casting.

Berenice re kitchen. After a lot of cleaning and reorganizing the kitchen, Berenice was unhappy to find things not put away after last week's 1A service. Janet mentioned that many Parish Life members were called away near the end of the meal to meet with the bishop, and that the remaining "cleaners" after the luncheon may not have known where to put things. It was suggested that drawers and cupboards be labeled.

ADJOURNMENT: At 4:48 Meredith moved that the meeting be adjourned. Berenice seconded the motion and it passed unanimously.

Respectfully submitted,

Sari Stoddard, Clerk of the Vestry

SPECIAL VESTRY MEETING MINUTES

PRESENT: Rev. Javier Garcia Ocampo, Senior Warden Betsy Hasegawa, Rose Buck, Gordon Donnelly, Susan McLaughlin, Luis Pedron, John Pruessner, Berenice Rodriguez and Bob Waters. **Absent:** Junior Warden Janet King, Meredith Horan and Zadinga Ogada. **Guest:** Ted Bedell, Facilities Committee Chair. The meeting opened at 7:05 p.m. with a short prayer.

OLD BUSINESS

This special meeting was called to make a final decision on the roof repairs, and to discuss two other urgent facilities matters - the chapel HVAC and the non-working VAV, or dampers, that control movement of the heat and AC throughout the church education wing.

First item of business - the roof. Ted Bedell of the Facilities Committee briefly addressed recent history and the current status. The revised quote from Dream Homes that had sounded so good turned out to be too high for our budget. The favored contractor is now Home Fix Custom Remodeling with a quote of \$31,515 for the main part of the flat roof. Their warranty is 2 years for labor and 20 years for material. Gordon made a motion that the vestry accept the recommendation of the Facilities Committee to hire Home Fix Custom Remodeling to fix the main part of the flat roof using funds from the Facilities Reserve Fund (FRF) of no more than \$34,000. Luis seconded the motion and it passed unanimously.

Next addressed was the VAV/dampers problem in the lower level. The Facilities Committee recommended Parker Pearce, with a quote of \$13,500. The company has a good reputation and has been used by several churches in the area. Gordon

moved that the vestry accept the recommendation of the Facilities Committee to hire Parker Pearce to repair the dampers in the educational wing at a cost of \$13,500, using funds from the FRF. The motion was seconded by Rose and passed unanimously.

The chapel HVAC issues were deferred to the January 2019 meeting, when the new year's budget will be addressed. The quoted amount for the work is \$10,850.

The need for more money to cover the chapel HVAC and any new but unforeseen facilities costs was discussed. The congregation will be reminded that we have another year of payments of pledged money to the FRF. A special call for roof donations is also under consideration.

ADJOURNMENT: At 8:20 Bob moved that the meeting be adjourned. Rose seconded the motion and it passed unanimously.

Respectfully submitted,

Sari Stoddard, Clerk of the Vestry

CURRENT FINANCIAL STATUS

Budget Development and Implementation

Our goal for 2018 was to achieve a balanced budget and we are on track to meet this aspiration.

We will soon begin preparing Ascension's 2019 budget based on the Pledge Campaign drive currently in progress, along with projected expenses for next year. As always, we continue to work with our Priest In Charge and Wardens and Vestry to keep our income and expenses in alignment.

September Financials

Total income for September was \$31,410. Ascension received \$2,630 in Plate receipts, \$28,422 in Pledge income, \$3,260 in Building Use Donations, but had additional charges that negated any Miscellaneous Unrestricted Income. Income sources were mostly lower than budgeted for the month of September.

Total expenses for September were \$25,901. All expense categories were below the budgeted amounts except for our monthly projected Diocesan Pledge paid in full. The lower than expected expenses for September helped to boost the net positive income described below.

Taken together, we had net positive income of \$1,678 for September based on income and expense figures just described and taking into account our Church's September mortgage payment.

Finally, the Treasurer's Report shows that the balance in the Endowment Fund increased to \$322,691. Our Unrestricted Cash Reserves is at \$76,738. The Facilities Reserve Fund is at \$49,882.
