

WELCOME TO CHURCH OF THE ASCENSION

The Fifth Sunday after the Epiphany: 5 February A.D. 2017

Frederick Buechner on Patriotism

"All 'isms' run out in the end, and good riddance to most of them. Patriotism for example.

"If patriots are people who stand by their country right or wrong, Germans who stood by Adolf Hitler and the Third Reich should be adequate proof that we've had enough of them.

"If patriots are people who believe not only that anything they consider unpatriotic is wrong but that anything they consider wrong is unpatriotic, the late Senator Joseph McCarthy and his backers should be enough to make us avoid them like the plague.

"If patriots are people who believe things like 'Better Dead Than Red', they should be shown films of Hiroshima and Nagasaki on August 6 and 9, 1945, respectively and then be taken off to the funny farm.

"The only patriots worth their salt are the ones who love their country enough to see that in a nuclear age it is not going to survive unless the world survives. True patriots are no longer champions of Democracy, Communism, or anything like that but champions of the Human Race. It is not the Homeland that they feel called on to defend at any cost but the planet Earth as Home. If in the interests of making sure we don't blow ourselves off the map once and for all, we end up relinquishing a measure of national sovereignty to some international body, so much the worse for national sovereignty.

"There is only one Sovereignty that matters ultimately, and it is of another sort altogether."

Frederick Buechner (pronounced BEEK-ner) is an American writer and theologian. He is the author of more than thirty published books and has been an important source of inspiration and learning for many readers. His work encompasses many genres, including fiction, autobiography, essays, sermons, and other nonfiction. Buechner's books have been translated into twenty-seven languages for publication around the world. Buechner's writing has often been praised for its ability to inspire readers to see the grace in their daily lives.

TO OUR VISITORS, NEWCOMERS, AND SEEKERS

We thank you for joining us today and hope you will return often.

At Ascension, our mission is to become "ambassadors of Christ," so we welcome you to this community of resident aliens. We invite you to fill out a welcome card (located in the rack at the ends of each pew).

TODAY AT ASCENSION

Preacher: Jason Cutshall

Refreshments and conversation follow every service in the Narthex.

The Nursery is open today from 8:30 a.m. to 12:30 p.m. It is in Room 2, in the rear hallway of the annex at the high school end of the building. Ask a welcome team member for directions.

LIFE LONG LEARNING

Godly Play

Today, we will study The Parable of the Sower and the Parable of the Leaven. The Parable of the Sower, which is found in all three synoptic Gospels, describes Jesus' promise of abundant harvest.

On February 12, We will explore the Parable of the Mustard Seed. Jesus told this story when asked to describe the Kingdom of Heaven. In it Jesus compares the Kingdom of Heaven to the smallest of all seeds that grows into a large bush like tree.

A Joyful Path

The members of *A Joyful Path* will be spending the next several Sundays studying and learning about "the Many Ways." We will be exploring and discovering the beliefs and rituals of the five major world religions. We will continue our journey from Hinduism to Buddhism. Come and join us in Room 11 during the 9, 11 and 11:15 services.

Yoga Classes

Randy's yoga class is every Thursday at 10:00 a.m. in the Chapel. These are gentle, entry level classes anyone may enjoy. No props are needed. There are some mats, blocks and blankets for those who want them. If you have your own mat, bring it. Wear loose fitting, comfortable clothing.

Tai Chi Class

Tai Chi classes are offered at 4:00 p.m. on Thursday afternoons in the Chapel; a good time of peace and balance in a lovely place at sunset. Please come and join us.

Contact Claire Rosser at 301.275.0617 or Cjrosser@aol.com if you have any questions.

Cell Group for Families with Young Children

The cell group for families with young children meets the first Sunday of every month at 11:15 am in the church library. We are currently discussing Brian McLaren's *We Make the Road by Walking*. If you have any questions, feel free to contact

A White Historian Confronts American Slavery

This is a free talk with discussion on Monday, February 6 at 7:00 p.m. at the Bethesda Public Library with Dr. Susan Strasser, sponsored by Bethesda Friends Meeting. In response to #BlackLivesMatter and the murders at Charleston's Emanuel AME Church, historian Susan Strasser seeks to serve people grappling with contemporary issues of race and racism by discussing the latest historical scholarship on

slavery. Mark Greiner, pastor of the Takoma Park Presbyterian Church, writes: "The lecture so evocatively described our shared history and its ongoing legacies and struggles. Further, you modeled how a white person/scholar can struggle into owned history. You simultaneously 'performed' history and solidarity. Sobered, delighted with and inspired by your work." This is part of a series of illustrated talks, "A White Historian Reads Black History." Others are about lynching, housing segregation, and voting rights. Dr. Strasser, Richards Professor of American History Emerita at the University of Delaware, is a prize-winning historian of American consumer culture. She has been praised by the New Yorker for "retrieving what history discards: the taken-for-granted minutiae of everyday life." For more about Susan Strasser, see susanstrasser.net.

New Cell Group Formation

How's your family tree? For some, we have been slaving to manually accumulate the data and documents that show your lineage. For others, the new technology is hard to avoid. If you, like me, got an Ancestry.com membership for Christmas, or you're an early adopter, or just curious, let's get together to explore the technology, help one another navigate the rapids of technology, or just cheer one another onward. I would like to gather together folks that can do all that and more. If you are interested, let's meet at the Church on this coming Wednesday evening at 7:00 p.m. in the Church Office. I will be there every other Wednesday for at least the next month to give you a chance to drop in and make your interest known. Feel free to contact me at garymclaughlin100@gmail.com, or give me a call at home 301.340.7139

New Book for Wednesday Morning

Starting at the usual time (10:00 a.m.) on **February 1** (in the Library), the Wednesday morning book discussion group will begin to talk about Krista Tippett's *Becoming Wise: An Inquiry into the Mystery and Art of Living*. From the author: "The discourse of our common life inclines towards despair. In my field of journalism, where we presume to write the first draft of history, we summon our deepest critical capacities for investigating what is inadequate, corrupt, catastrophic, and failing. The 'news' is defined as the extraordinary events of the day, but it is most often translated as the extraordinarily terrible events of the day. And in an immersive 24/7 news cycle, we internalize the deluge of bad news as the norm—the real truth of who we are and what we're up against as a species. But my work has shown me that spiritual geniuses of the everyday are everywhere. They are in the margins and do not have publicists. They are below the radar, which is broken." Read through page 34 for discussion this Wednesday.

Still Water Mindfulness Practice Group

Mindfulness is our capacity to be fully present in our own lives, to be aware of what we are doing as we are doing it. As we develop our awareness, an inner stillness naturally grows. We are better able to embrace the world, better able to experience the Kingdom of God in the present moment. Our weekly program of meditation and mindfulness practices in the tradition of zen monk and peace activist Thich Nhat Hahn will continue on Tuesdays from 7:00 to 8:30 p.m. in the chapel.

The Listening Heart Community

The Listening Heart Community is Ascension's "monastery of the heart", an intentional group for seekers in all stages of their spiritual journey to explore Benedictine and other contemplative spirituality in community. We meet the first and third Monday of each month. Contact Lori Perine at lperine@gmail.com if you would like to join us.
